E. Consultancies and PhD Research 2010-2019

- Centre for Enhancing Democracy and Good Governance (CEDGG), Development of Monitoring and Evaluation (M&E) Framework including training on how to carry out M&E and organizational development: September-October 2010 (In this consultancy different groups of people were trained using specific methods on how to evaluate projects initiated in their area)
- United Nations High Commission on Refugees (UNHCR)/International Rescue Committee: Behavior Change Communication Formative Assessment and Development of Behavior Change Communication Strategy for Dadaab (Hagadera, Ifo and Dagahaley) Refugee Health Programme. October 2010-January 2011
- Consultant for National Cohesion Integration Commission (NCIC, Kenya) on Political Hot Spots in Kenya: Data collection, Report writing and dissemination of the findings on Emerging Hot Spots during the 2013 Election period, 2013 (In this consultancy there was interest in establishing the chances of new hot spots emerging. Women groups, youth groups and men groups were especially targeted in providing information on the possibility of the above during data collection).
- CUEA, Research Training for Post Graduate Students, 2011- Main Campus
- CUEA Research Training for Post Graduate Students, 2012- Gaba Campus
- CUEA, Research Training for Post Graduate Students 2012- Kisumu Campus
- CUEA, Research Training for Post Graduate Students 2013- Main Campus

- Consultant for Action Aid Kenya, Stop Violence against Girls in School (SVAGS). Research, Report Writing and Instrument Translation in Holla, Tana River County, Kenya, 2012 (In this five-year consultancy, we hoped to measure change in behavior with regard to reducing or/and stopping violence against girls in schools among the Wardei and Pokomo Communities of Tana River).
- Consultant for World Vision on Food security in West Pokot in 2013(World vision has attempted to introduce new food crops to the residents of West Pokot through women. The women are encouraged to learn how to grow vegetables, maize and even rice. In this project the organization viewed food security as an important component of the general security of the area and used experts in Peace and security issues).
- PhD Research Thesis on Women's Knowledge Systems and Peace Building among the Pastoral Communities of Northern Kenya, 2014 Research. (This research was done for three months with five research assistants under my supervision. The target was women aged 60 and above although younger women were also interviewed by the researcher. The motivation for this study was based on the need for implementing the UNSCR 1325 from the grassroots).
- Research Assistant with the Centre for Democracy Research and Development (CEDRED) and the Organization of Safer Pastoral Communities in Northern Kenya (OSPACONOK) on the Effects of Proliferation of Small Arms and Light Weapons on the Livelihood of the Residents of Kacheliba, West Pokot, July to December, 2015.
- Consultant (Contributor and Editor) with the UN Women, on Documenting women's efforts in peace building in order to help in influencing policy, 2016(organized by Dr. Francis Onditi). In this project, a group of scholars sponsored by the UN Women came together to contribute chapters to be published in a Special Issue of the African Conflict and Peacebuilding Review (ACPR). This will help in influencing policy with regard to women's contribution to peace building efforts.
- Consultant (Lead Facilitator) with the UN Women, International Peace Support and Training Centre (IPSTC) and the Embassy of Japan. On training grass root women on peace building, Local programme (February, 2016)
- Consultant (Lead Facilitator) with the UN Women, International Peace Support and Training Centre (IPSTC) and the Embassy of Japan. On development of a curriculum on training Women for Leadership in Peace and Security (WFLPS) National course training grass root women on peace building (December, 2016)
